COOLEX INDUSTRIES PVT.LTD

Manufacturers of Food Equipments

COOLEX EXPORTS TO 60+ COUNTRIES

Coolex industries with over four decades of expertise in making air conditioning & refrigeration systems, observed the fast changing scenario in the world about the incredible opportunity that awaits in the field of food vending and kiosk business and ventured into franchising these successful concepts in India & Abroad. We have been supporting entrepreneurs and institutions who wish to set up their own chain of snack food, kiosk and restaurant businesses. Our food service equipment include Sugarcane Machine, Sweet corn machine, Popcorn machine, candy floss machine, chocolate fountain machine etc... We offer complete stylish design and installation of any kind of commercial equipment.

Coolex is having different kinds of innovative food concepts with it since 1975, with a customer base all over India and in 60+ countries. Our strength is continuous R&D on different food recipes and strong technical knowledge in food equipment which keeps us going since these many long years.
